

Computime appoints new Vice President – Finance

On behalf of the board of management, I am pleased to announce that, Mr Gary Lam is appointed as Vice President – Finance of Computime Group Limited with effect from 5 July 2007.

Gary is a qualified Chartered Accountant and possesses

over 18 years of relevant experience. He had been working for various Hong Kong listed companies holding key positions in financial and corporate accounting functions.

Gary will focus on the overall control of the financial function, which includes the managerial accounting, financial accounting and compliances.

I am sure with his expertise and experience, Gary will continue to help the Group strengthen the finance team and develop relationship with our stakeholders.
