### Make Donation for Sichuan Earthquake

Dear Colleagues and Business Partners,

As you may aware, Sichuan, China earthquake killed over 10,000 people on May 12. This earthquake caused widespread devastation. Thousand and thousand of people died and lost their homes in this disaster. The earthquake causes serious damage to public facilities, transportation, telecommunications, electricity, water and power supplies, etc. The victims do need your help to go over this miserable period.

We have advocated our colleagues to give donation and donation boxes have been set up in various facilities to collect donation. All donations will be forwarded to Red Cross Society.

We sincerely encourage our business partners to show your generous supports to the victims. Donations can be made through international organizations such as China Red Cross and Unicef
