

Computime appoints Chairman and President of Salus Holdings Limited

On behalf of the management team, I am pleased to announce the appointment of Mr. Phillip J S Cox as Chairman of Salus Holdings Limited and Mr. Wong Wah Shun, Kent ("Mr. Wong") as President of Salus Holdings Limited effective March 18, 2009.

Mr. Cox joined Computime in 2001 when he was named the President of the Group's Branded Products Division, which includes CT Global Inc., a wholly-owned subsidiary of the Group in the U.S., Salus Controls Plc and Salus Controls GmbH, wholly-owned subsidiaries in Europe.

Mr. Wong worked in electronic industry for over 20 years, before joining us, he was the Chief Executive Officer in a Hong Kong Public Listed Company.

I have confident that with the leadership of Mr. Cox and Mr. Wong, our branded business can achieve a remarkable success in the coming years.
