

### **Computime appoints President of Cincinnati Holdings Limited**

I am pleased to announce the appointment of Mr Ha Wai Leung as President of Cincinnati Holdings Limited with effect from 12 March 2009.

Mr. Ha joined us in 1998 and he is currently the Executive Vice President of Technology of Computime Group Limited. He is a chartered engineer and member of the Institute of Measurement and Control, The Institution of Engineering and Technology as well as The Institution of Electrical and Electronics Engineers,. Mr. Ha has over 20 years of working experience in engineering and research and development.

Cincinnati Holdings will be the flagship company for all of our technology business which includes CT Lab (formerly R&D Department), Cincinnati Technologies Ltd (US and China) as well as our technology partnerships with other local and overseas organizations.

Please join me to congratulate Mr. Ha on his appointment.

A handwritten signature in black ink, appearing to read 'Bernard Auyang', is positioned above the printed name and title.
